You Can Be a Career Explorer Too!

Explore your values, interests, personality, and skills to learn more about yourself.

When you find things you like, learn more about them through activities and classes.

Research careers that sound interesting by reading books and looking at reputable sites online.

Ask the grown-ups in your life about their careers and why they chose them.

You will probably change your mind many times, and that is okay! Just keep learning about yourself and the world of work.
